

## ***ST. CECILIA CATHOLIC SCHOOL MONTE CARLO MASQUERADE AUCTION 2014***

St. Cecilia Catholic School will hold its annual auction on Saturday, November 8, 2014. We are seeking corporate and individual support to underwrite auction costs to help ensure that 100 percent of proceeds go directly to our students and school. Money raised from this event allows us to maintain and increase our high educational standards, by contributing directly to teacher salaries, educational materials and classroom improvements.

Auction underwriting provides visibility for your company through program advertising, event signage, and recognition the night of the event. More than 400 guests and volunteers will attend. Please make the commitment to support our school by becoming an underwriter for this year's auction. For more information, contact Karen Othon at [kothon@othon.com](mailto:kothon@othon.com) or (832) 314-5163.
