

Starting in the second quarter of the 2020 -2021 school year, our Admissions department will begin offering both virtual and in-person Admissions tours to interested students and families for the following school year.

The health and safety of our students, faculty, and staff is paramount to our offering of these tours, and they will be conducted in accordance with all of the school's current health and safety guidelines.

Booking Tours

- Interested families will indicate if they would like either a virtual tour or an in-person tour when contacting the Admissions Department.
- Those families who indicate that they want an in-person tour will be contacted by the admissions office to schedule an appointment.
- Tours will be given to only one interested family at a time.
- The number of in-person tours will also be limited on a daily basis.

In-Person Health & Safety Tour Procedures

- Prior to the scheduled tour, visitors will be sent the "[Health & Safety: May I Enter The School?](#)" flowchart and asked to self-screen.
- Interested families will be required to enter through the main entrance and pass the safety screening/ temperature check prior to entry.
- Interested families will be required to wear a mask and maintain social distancing during the tour.
- Interested families will be guided through the campus and permitted to look into the classrooms from the hallway, but will not be permitted to enter the classrooms.
