Google Calendars

There are multiple Google Calendars the school uses that can all be found [on the one main calendar page](#). When downloading or viewing the Google Calendar(s) you can download any number of the calendars you want and can also turn off / turn on individual calendars to make it easier to view specific calendars. The calendars are listed below with descriptions:

- **Main School Calendar**
 - This is the main school calendar for the year. It includes all school events.
- **No School / Holiday / In-Service & Conference Days Calendar**
 - Days where there is no school / no classes. (These days are also listed on the main school calendar).
- **Liturgical Calendar**
 - All school masses and other liturgical events during the school year. (These days are also listed on the main school calendar).
- **Sports and Activities**
 - Schedule of all school athletic teams games.
- **8th Grade Calendar**
 - Specific calendar for 8th Grade families and 8th Grade events. (These days are also listed on the main school calendar).
