INDIVIDUALIZED HEALTHCARE PLAN FOR STUDENTS WITH ASTHMA
2023-2024 SCHOOL YEAR

To be completed by the Parent:

School: _____ Grade: _____

Students Name: _____ Age: _____

Student needs to avoid: _____

Reaction(s) student has: _____

Self-Carry permission from physician: ☐ **NO** ☐ **YES;** Student will carry inhaler (where): _____

If yes, (1) the prescription medicine has been prescribed for that student as indicated by the prescription label on the medicine; (2) the student has demonstrated to the student's physician or other licensed health care provider and the school nurse, if available, the skill level necessary to self-administer the prescription medication, including the use of any device required to administer the medication; and (3) the self-administration is done in compliance with the prescription or written instructions from the student's physician or other licensed health care provider. In addition, as the parent, I am providing written authorization for my student to self-administer the prescription medicine while on property or at a school-related event or activity. I understand that such self-administration must be done in compliance with the prescription or written instruction of the student's physician. Additionally, I have provided a written statement from my student's physician or other licensed health care provider, signed by the physician or provider that states:

1. That the student has asthma and is capable of self-administering the prescription medicine;
2. The name and purpose of the medicine;
3. The prescribed dosage of the medicine;
4. The times at which or circumstances under which the medicine may be administered; and
5. The period for which the medicine is prescribed

Medication and inhaler at school location for medication will be stored: (**required):** _____

_____ (Student's Name) has asthma as mentioned in the Individualized Healthcare Plan from the physician. I have provided to the school the physician's medication permission and instructions. I am requesting these instructions be carried out by the school. I have instructed my child about his/her asthma and how to avoid exposure to the triggers, care to take if exposure occurs and tell an adult immediately if they are having a reaction. I will provide the medication with a proper pharmacy label and be aware of the expiration date to replace the medication. I hereby request the medication specified by the physician be given to the above named student, and it may be administered by medical or non-medical personnel. I understand 911 may be called if symptoms worsen.

Such agreement by the school is adequate consideration of my agreements contained herein. In consideration for the school agreeing to allow the medication to be given to the student as requested herein, I agree to indemnify and hold harmless the Archdiocese of Galveston-Houston, its servants, agents, any employees, including, but not limited to the parish, the school, the principal, and the individuals giving the medication, of and from any and all claims, demands, or causes of action arising out of or in any way connected with the giving of the medication or failing to give the medication to the student. Further, for said consideration, I, on behalf of myself and the other parent of the student, hereby release and waive any and all claims, demands, or causes of action against the Archdiocese of Galveston-Houston, its agents, servants, or employees, including, but not limited to the parish, the school, the principal, and the individual giving or failing to give the medication.

2023-2024 SCHOOL YEAR

To be completed by the Parent and Student:

Student name: _____ Date of Birth: _____

Where will student carry inhaler (**required**):_____

Additional inhaler will be provided to the school and stored with prescribed medication at specified school location:

(**required**): _____

STUDENT

- I agree to carry my rescue inhaler with me as listed above and if an emergency arises and I am unable to get to the nurse/school personnel I will use the rescue inhaler and then immediately inform a nurse/school personnel to document the usage.
- I agree to use my rescue inhaler in a responsible manner, in accordance with the physician's orders. I understand my asthma triggers, symptoms, and treatment plan reviewed by my physician and parent(s)/guardian(s) and understand to use my rescue inhaler when an emergency arises and I am unable to get to the nurse/school personnel in time.
- I will notify school personnel if I am having more difficulty than usual with my asthma.
- I agree to never share my rescue inhaler with another person as this is dangerous and if I do this may result in disciplinary action.

Student Signature: _____ Date: _____

PARENT/GUARDIAN

- I agree to see that my child carries his/her rescue inhaler as prescribed, and that it is properly labeled and is not expired.
- I understand that I will provide the school with an inhaler to store at school along with any prescribed medication from the physician treatment plan.
- I have reviewed with my child the asthma triggers, symptoms and treatment plan including the usage of the self-carry rescue inhaler when an emergency arises.
- I agree to regularly review with my child the proper use of his/her rescue inhaler when at school.
- I agree to regularly review the status of my child's asthma with the physician and to notify the physician when my child is having more difficulty than usual.
- I understand if my child shares medication with other students it may result in disciplinary actions.
- My child has demonstrated to his/her physician and the school, nurse, if available, the skill level necessary to self-administer the prescription medication, including the use of any device required to administer the medication.
- The self-administration is done in compliance with the prescription or written authorization for my child to self-administer the medicine while on school property or at a school-related event or activity.
- I understand that such self-administration must be done in compliance with the prescription or written instructions of my child's physician. Additionally, I have provided a written and signed statement from my child's physician that states:
    1. The student has asthma and is capable of self-administering the prescription medicine;
    2. The name and purpose of the medicine; the prescribed dosage of the medicine; the times or circumstances which the medicine may be administered; and the duration for which the medicine is prescribed.
- This is in effect for the current school year only unless revoked by the physician or the student, parent(s)/guardian(s) fails to meet all the above safety contingencies.
